

BRING AMERICA BACK TO

LIFE

PROTECT THE UNBORN Lorain County Right to Life.org

January 22 - A tragic anniversary for our nation: On that day in 1973, the U.S. Supreme Court took away the right to life of unborn children. Instead of protecting life, the Court made it the role of government to protect killing. The Court ignored science and instead declared American children before birth -- living human beings -- to be less than human.

Every day, the abortion industry in the U.S. kills thousands of American babies by surgically ripping them from the safety and warmth of their mothers' wombs. (see abortionprocedures.com) Thousands more are killed by birth control chemicals and devices and so-called "emergency contraception" -- all of which can cause early abortions.¹

Help Bring America Back to Life: Abortion pits a mother against the life of her child. But we can love and care for both mother and child, even in difficult circumstances.² It's time to return to the view that every human life, born and unborn, is a gift from God to be welcomed, respected, and protected.

We, the undersigned, see the killing of unborn children by abortion as a national tragedy.

We are dedicated to protecting life and loving both mother and child. Join us!

You can be part of bringing America back to LIFE. Visit www.loraincountyrighttolife.org, fill out the coupon below or follow us on Facebook.

1. Birth control pills, emergency contraception (also called "the morning after pill"), contraceptive injectables, contraceptive implants, and IUDs, sometimes prevent the implantation in the mother's womb of a young human being and result in the death of a human person. (see <http://loraincountyrighttolife.org/the-truth-about-chemical-abortion/>)

2. To find a nearby pregnancy help center, visit <http://optionline.org> or <http://birthright.org>, or call 1-800-712-4357
